The hunchback in the park
A solitary mister
Propped between trees and water
Dylan Thomas

And in the solitary water
Mister Park propped a hunchback
between the trees.

Propped between the hunchback
and Mister Park, in the water
and solitary trees.

Between the trees, propped
in the water, Mister Park
and a solitary hunchback.

In the water, a hunchback,
solitary, and propped between,
Mister Park, the trees.

A park, Mister Hunchback in the
trees, solitary, and propped
between the water...

A Mister Solitary, the park
hunchback, propped in water
and between the trees.

Mr Trees propped a hunchback
in the water park and
the solitary between.

The hunchback: park in the water.
Mister Solitary: and in between
propped trees.
